Otis Biggs, of this city, has secured a
good position with the hardware firm of
W. S. Thomson & Co., of Craig, and en-
tered upon his duties last Monday. Otis
is a good workman, and industrious and
reliable, and we congratulate the firm

**Let Pinkston Brothers
figure on your bill.**

—If you want the latest shades, and
colors in spring dress goods; the latest
shades in spring foot wear, the latest
styles in furnishing goods for ladies and
gentle, go and see J. Watson & Co. They
trade for the past two weeks, and now
have their counters and shelves piled
full, and at away down prices.
—J. W. Thomson, proprietor of cigar
factory, No. 52, this city, accompanied by
T. S. Hinde, were in White Cloud,
Kas., last Wednesday, interviewing the
business men of that city. Mr. Thomson
sold several bills of cigars while there.
He is building up a good trade for his
cigars, having sold a fine bill last week,
which were sent to the M. E. church.
—Fred Seeman is up to his neck in
business, and has been buying boots and
shoes for a couple of days. Fred is a
trader, and certainly deserves it, for he is
the only exclusive boot and shoe dealer
in the city, consequently has the stock
and styles to select from. Go and look
over his stock when needing anything
in foot wear.

—Fred Markt has received a letter
from his brother-in-law, Horace,
who with his wife, left here on the
9th of January for Baden, Germany.
They arrived at Baden on the 22nd of
January, taking the 10 o'clock train.
On their arrival they found Mrs. Horace's mother, aged
91 years, enjoying good health, and bil-
ding fair to round five-score. He
reports a pleasant trip.

—Charles Hodeholtz, a huckster
from St. Joseph, who makes regular
trips through the south and east por-
tions of the county. He had a handsome
turnout, for the purpose, but now alas,
he has none. On Friday last, while he
was in the house of Jim Williams, in
Mound City, he was taken ill, and was
some of his friends, his team took a French
leave and ran at a furious rate scatter-
ing a large amount of produce over the
road way, and smashing the new
\$110 wagon into smithereens. The loss
is a heavy one for his owner, and we are
sorry to hear of his misfortune.

—The firm of Hensberger Bros was
dissolved Wednesday, W. R. retiring.
The business will be continued by Hiram
Hensberger at the old stand. He is
one of our most aggressive business
men, and we are pleased to know he will
continue the jewelry business at the old
stand. —Eckridge, Kansas
Star. Yet, we all know H. and the opin-
ion is universal that he is a rustling,
wide-awake business man, and one of the
most whole-some, good-natured men,
in the county. The SENTINEL, with
his legion of friends, unite in wishing
him and Will, his old block, abundant
prosperity in their new homes.

—The erection of permanent ladders
upon all buildings, to be used in case of
fire, is now being agitated in all towns
of any size. It is an excellent idea. Our
fire company are trying to get the busi-
ness men and city council to take hold of
the matter and put up ladders at the
year — their business houses. This
would assist the fire company wonder-
fully in rapid and efficient service in
the discharge of their duty. Private
residences should also have permanent
ladders placed upon them. These lad-
ders can now be procured at very cheap
prices, and they are better and more durable
than to have them made, for they are
thoroughly seasoned, from Pinkston
Bros, lumber dealer of this city, who
have received a fine lot of single ladders
from ten to twenty feet, and extension
ladders from twenty-eight to thirty-six
feet. Go and see them.

make lots of money, has come to the
conclusion that it is just as hard, and
harder to do that down there, than up
here, and will probably return to Holt
county in the near future.

—Penny & Baker, cigar makers of this
city, are running a full force of men and
then cannot keep up with orders for
their cigars. They use nothing but the
best tobacco in their cigars, and as proof
of this a trial of their cigars will con-
vince you.

—Mrs. Thos. Glenn, died at her home
in Matland, on Wednesday, February 13,
1895, at the advanced age of 82 years.
Her daughter, Mrs. C. L. Raley, of this
